

Just Transition events at COP26 in Glasgow

The [Just Transition Partnership](#) was launched by the [Scottish Trades Union Congress](#) and [Friends of the Earth Scotland](#) in 2016 in [a joint statement](#) also signed by various trade unions and environment campaigns. It highlights the need for action by governments to secure a just transition for workers in the decarbonisation of employment. The Partnership is helping organise a series of events aimed at trade union and worker organisations at the **Glasgow COP26**. These are detailed in a JTP mailing from which we have extracted the following list of events below. You can contact the Just Transition Partnership [here](#).
