INTERNATIONAL DENUNCIATION OF THE ATTEMPT TO ASSASSINATE LEONIDAS IZA SALAZAR, LEADER OF THE INDIGENOUS MOVEMENT OF ECUADOR.

[Two years ago Ecosocialist Scotland had the privilege of supporting Leonidas Iza Salazar and his comrades during a visit to Scotland as part of a wider series of visits across Europe. The shocking news that an attempt has been made on his life has filled us with anger and a renewed spirit of solidarity with both Leonidas Iza himself and with the struggle of the indigenous peoples of Ecuador which he has championed. We reproduce below an English text of an statement issued in Spanish denouncing the attempt on Leonidas' life and registering on-going support with him. We would encourage all our friends and comrades to sign the statement which is available here]

The undersigned indigenous organizations of Abya Yala, trade union groups, social movements, political organizations, human rights defenders, feminist movements, student, environmental and alternative communication organizations and personalities defending social justice; we strongly reject the attempted assassination of the leader Leonidas Iza Salazar, leader of the Indigenous Movement of Ecuador. We denounce at the international level that these acts of persecution, surveillance and harassment directed against comrade Leonidas Iza, former president of CONAIE, are part of a plan that constitutes a State policy backed by the Intelligence Law of the national government of Daniel Noboa to restrict democratic freedoms and the legitimate right to protest.

In Ecuador and many parts of the world we are witnessing an offensive of great calamities and injustices against the popular majorities. The flip side of the neoliberal plan is the solidarity of the peoples, breaking the media siege and

achieving the broadest unity in defence of our most elementary rights. Leonidas you are not alone.
