Put an end to Macron and the Fifth Republic!

After the vote of no confidence, let’s finish with Macron and the 5th Republic!

The result was clear: 331 votes in favour of the no confidence motion. The Barnier government resigned and the austerity budget law fell. This illegitimate government, a symbol of Macron’s decomposition of the Macron presidency, had no future. The promise of ever more austerity and authoritarianism has been rejected by the vast majority of the population.

The economic and social crisis is leading to a political crisis the like of which we have not seen in decades. The capitalists and their institutions no longer have the legitimacy to organise society. They have no workable parliamentary majority. Macron must therefore leave and resign without delay. The forces of the New Popular Front (NFP), the parties but above all the unions, the associations, those from below, must close ranks to change everything. We need to move towards a constituent assembly process and put an end to the presidential system. We need to turn the page on this 5th Republic, which allows every kind of authoritarian power grab.

Faced with the democratic impasse, we need to impose a constituent process where democracy is not limited to the electoral arena but extends to the right to decide in workplaces and neighbourhoods. Decisions on what we produce and the use of resources should be made by the people primarily concerned – employees and users.

This means building strike action in the coming days, on 5 December in the civil service and from 12 December in all sectors. After Macron, this is the only way to defeat the

Rassemblement National (National Rally, Marine Le Pen -Tr), which is on the threshold of power. That’s what the NPA, with its partners in the NFP, will be working hard to build in the hours and days ahead.

More broadly, this means building an anti-capitalist, ecosocialist alternative that puts an end to the exploitation of human beings and resources and all forms of oppression.
